TO BE HELD AT

GLENBURN FARMS

UNIONVILLE, ONT.

Tuesday, Oct. 7th, 1947

General Information

Time—Tuesday, October 7th, 1947, commencing at 1 p.m.

Location—Glenburn Farms, where the sale will be held under cover. A 40 minute drive from Toronto, just $1\frac{3}{4}$ miles north of No. 7 highway, near Unionville. By appointment, transportation will be furnished to and from the Royal York Hotel.

Train—The C.N.R. provides a daily service through Unionville, leaving Toronto about 9 a.m. and arriving in Unionville shortly before 10 a.m. The evening train leaves Unionville about 8 p.m. Check with your nearest agent regarding revised schedules.

Bus—Gray coaches from Toronto arrive in Unionville at 9.50 a.m. and leave Unionville on the return trip at 4 p.m. Telephone the farm for transportation from bus or railway stations.

Auctioneers—J. W. Durno, Calgary, Alberta; L. E. Frankiln, Toronto, Ont.; R. T. Amos, Guelph, Ont.

Mail Bids—Those who cannot attend but wish to buy cattle listed in this catalogue may send buying orders to Will Johnson of the Shorthorn World, Aurora, Ill.; H. R. White, Secretary, Canadian Shorthorn Association, Guelph, Ont.; G. E. Day, Secretary, Ontario Shorthorn Club, Guelph, Ont.; or to any of the auctioneers. Correspondence addressed to any of these men in our care will be delivered to them on the morning of the sale.

Luncheon—Lunch will be served on the grounds.

Pictures—In attempting to represent these sale cattle as they actually appear to the eye, we are using pictures of them that have not been retouched, as indicated by the letter "U" appearing under the photographer's name. It is our conviction that live stock photography is coming to rely so much on the art of expert retouching that it is impossible to place any faith in a picture of an animal as an indication of its quality. We prefer that you should find the animals better than the pictures rather than be disappointed in them after coming many miles on the strength of a retouched photograph.

Bull Premium Policy—The Ontario Government has instituted a Bull Premium Policy under which organized clubs consisting of not less than three members may obtain financial assistance on approved bulls purchased at auction sales supported by at least three consignors at which five or more bulls are offered. An application must be forwarded to the Live Stock Commissioner on prescribed forms and approval granted before a bull is purchased, otherwise financial assistance will be refused.

Klaymor Farm, owned by Mr. W. J. Russell, adjoins Glenburn. Here the sale of W. J. Russell, Jas. Douglas & Sons and K. C. Gray will be held on October 6th.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and Bang's Disease. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. The Foreign Exchange Control Board insists that in the case of cattle purchased for export to the United States of America, payment must be made in U.S. funds at the rate of exchange officially recognized by the Foreign Exchange Control Board at the time of payment.

7. TERMS. Cash, unless other arrangements are made before the sale.

BEATH - DEACON - MURPHY SHORTHORN SALE, OCTOBER 7, 1947

BEATH FARMS SHORTHORNS

Part of Breeding Herd, Beath Farms

Beath Farms Consignment

A group of outstanding females mated to a succession of good breeding bulls has been the secret of the continued success of the Beath herd—Walshford Paymaster (imp.), Drynie Roland (imp.) and his son Roland Clipper, Klaymor Beau Ideal, and now Beathton Seal and Marellbar Obligation have built lasting reputations here. The entire offering is descended from these great bulls.

FOR REFERENCE ONLY

At \$5100 — Marellbar Obligation topped the 1944 sale of the first crop of Klaymor Footprint calves. He has developed impressively and we are offering 12 of his calves in this sale. At the 1946 Illinois State Fair, with only three sons of Klaymor Footprint entered, Marellbar Farms topped three single classes, won the Reserve Championship and first in both the two and three bull groups.

OAKFIELD FARMS

ORILLIA - - ONTARIO

For the eighth consecutive year it is our pleasure to be associated with Glenburn Farms and Beath Farms in presenting our annual auction.

Every animal in our offering has been vaccinated under the Ontario Veterinary College plan of Calfhood vaccination, is Federally Accredited and has recently been inoculated.

We have derived great satisfaction and pleasure in breeding these cattle and trust they will be a deciding factor in maintaining and increasing the popularity of the Shorthorn breed in North America.

The sole aim in the breeding programme at Oakfield Farms has been to improve and produce for sale, the best possible type of Shorthorn. In order to carry out this programme, one of the essential factors has been the selection of herd sires of the highest type, quality and breeding.

There is great satisfaction in presenting the nine lots sired by O.A.C. Ransom 21st —239523— in this catalogue.

To those who are interested in securing the popular Ransom blood lines we sincerely recommend our 1947 offering by this great sire. The pedigrees represent the best bloodlines. The cattle are of modern type, low set, thick, thrifty and stylish, just the kind any breeder can depend upon to do the job. The cattle we are offering give assurance of their ability to reproduce these desirable characteristics.

We are also presenting six grand heifers sired by Cromleybank Benefactor —278126— our grand imported-in-dam junior herd sire bred at Cromleybank and sired by the great Calrossie Benefactor. We feel that these heifers are such as will speak for themselves.

Also included in the offering is one junior heifer calf sired by Saltoun Ark Royal, the great breeding bull bred at Saltoun by Captain Fletcher and sired by Cluny Ark Royal by Calrossie Souvenir.

The photographs of the cattle illustrated in this catalogue have not been re-touched, thereby giving a true picture of the cattle as they actually are.

We extend a very cordial invitation to all Shorthorn enthusiasts to be with us at the Oct. 6-7 sales.

One of the best bulls on the continent, even in field condition he looks right from any angle. He is worthy of his famous Perth Champion grandsire both in appearance and breeding ability as evidenced by the record of his 1946 calves, his first full crop at Glenburn.

 shown last year because of her early calving date, was declared by many competent judges
 to be a better heifer than our 1946 champion Eldorado Jilt. Glenburn Kaffir was one
 of the best sons of Klaymor Forester. Will Johnson picks this heifer as one of the best
 show prospects in our offering. In addition to the Millhills Ransom and Calrossie Grand
 National crosses in this pedigree, close inspection reveals no less than six crosses of Rose-
 haugh Mandarin and three of International grand champions. Vaccinated and inoculated.
